Jane - we were not comfortable having someone in a position of responsibility representing the community with outside agencies, such as the Sheriffs Office, when the spouse is involved in a lawsuit against the Association.

I would like to know the reason I was denied the co-chair position of a committee I have served for years. Recently after many emails requesting a member of the committee to take the leadership position after Tim Wetzel resigned, I was able to convince Mark Haut to co-chair with me to assure a smooth transition of ongoing projects. Roberta Maness accepted our leadership with a "Thank you" message. What has changed?
